Things are getting very tough. Had to run the same ads two weeks in a row but it must have worked. O. K. because we sold that beautiful Chetco River frontage as well as one other. So here are some more bargains for your approval.

Very livable small cottage with gee or jus Ocean view on one half acre. We suggest that you live in the present cottage and build a fine home on the opposite end of the property where the view is the best. Then use present cottage for a good rental which will assist in paying for your new home. Best part of all is that the total price is only \$3,150.00 furnished.

I'm not going to advertise that beautiful place on the river, all new furniture, even TV, boat dock, boat and motor for only \$7,500.00. Some one will come in the office and buy this so why advertise and spend good money foolishly? Sure is a swell place for someone that likes the best in fishing and outdoor living though. But I'm not going to advertise this cause it's really a hot deal. And I'll sell it without advertising it. I'm telling you I will for sure. Just you watch me cause I'm not going to advertise this one at all.

How about making an offer to the owner on approx. 50 acres with a 2 bdrm. cabin, year round cased in four foot tile spring, small orchard and excellent view. Owner has a price of \$4,650.00 but said to get him an offer and that is fair enough to an interested party. Come in as it's close in and wont take 15 minutes to show. In fact you can see where it is located from our office.

If you are a logger and have trucks and equipment we feel that you will want to take a look at this nice home with large truck shop and an acre of land, close in on easy street. You can have possession right away if you hurry. Can be had on good terms so come in for details.

Have you a house close in you would like to trade for a fine 35 foot trailer?? If so drop in and we will show you this beautiful trailer.

Want a fine lot with small house for a total price of only \$1,650.00????? We have it ready to show you. This is a real buy and no kidding about that.

Remember we are always available evenings at 217 Spruce Drive, Woodland Park Addition. Phone 4712.
