### MRS. CLARENCE KEYES GIVEN BABY SHOWER

Mrs. Clarence Keyes was the guest of honor at a surprise stork shower at the home of Mrs. Elmer Jordan Friday evening with a large crowd of friends in attendance. An evening of appropriate games and conversation was climaxed by Mrs. Keyes

opening the many nice presents she received for the expected newcomer. The nicest gift of all was a card telling her that her friends were taking care of the hospital bill and would have some over to help pay the doctor.

Mr. Keyes is still in the Veterans hospital in Portland and it is indefinite as to when he will be able to be discharged. He was injured in a woods accident several months ago.

The Leonard Real Estate and Insurance Agency have added two experienced salesmen to their staff. Robert Shehan and William Colley both have started work at the new Leonard office.

Shehan is the owner of Shehan's clothing store, and was in the real estate business in Coos Bay before coming to Brookings. Bob's brother Ron is managing the clothing store, having recently come to Brookings to make his home.

Colley is from the Medford area, where he enjoyed an excellent sales record in the real estate field. He is married and has three boys, two of which will enter the Brookings grade school next week. He expects to reside in the Woodland Park addition.

The answers of everyday insurance problems\*

**QUESTION:** Does the "actual cash value" mentioned in Fire insurance policies mean that if my furniture burned I would only get as much for it as I would at a forced sale?

**ANSWER:** Not at all. The insuring company wants you to be as well off after settlement as before the fire. Their settlements are based on normal market value at the time of loss.

\*If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no obligation of any kind.
