

**Would You Believe It's Ten Years Since:**

From where I sit ... by Joe Marsh

**Fastest "News Service" in Town!**

Had a frantic wire from Washington yesterday—saying that the local Congressman was making a surprise visit and a short speech. Could I get the word around fast?

No time for a special edition of the *Clarion*, so I turned to the fastest "news service" in town... Windy Taylor. He spent an hour mobilizing his Lodge and Court House cronies—all pretty fair talkers—and the rest is history. Biggest turnout ever.

As a newspaperman, I hate to admit it—but facts are facts. The Windys of this world aren't only quicker news spreaders

than our paper... they've even got better circulation.

From where I sit, some of us would rather talk than eat, while others are close-mouthed... just as some of us like coffee and others prefer a glass of beer. There's a lot to be said for both attitudes. But if you go in for gab—don't talk against someone just because you don't happen to agree with him on some question of personal choice. Use your own "good censorship."

The official publication for the Supreme Emblem club, the Emblem Topics reported 70,000 subscribers with Oregon clubs having 100 percent membership subscribers.

The club plans a Food Sale for November 3 at the Hi-Way Market and Hanscams starting at 10:00 a.m.

Following the regular business a memorial service was held in memory of Helen Chadwick, who was a member of the club.

One of the best and most diverse stocks of rummage goods is being offered at the VFW hall according to the ladies who are managing this annual fund raising event. They say they never have had such a large variety of such attractive material, all of which will not be on display until stock is moved and space made available, so continued calling at the sale by the public is a good idea.

Their stock consists of everything imaginable in the way of clothing, household goods, books, etc. The sale lasts the rest of this week.
