

FORESTRY - U.S.A.

AVALANCHES ARE THE SCOURGE OF HIGH MOUNTAIN SKI AREAS. ON GUARD AGAINST THIS THREAT TO SKIERS ARE U.S. SNOW RANGERS, THE NATIONAL SKI PATROL AND SKI-LIFT OPERATORS.

EVERY WINTER THE BATTLE IS ON. WARNING SIGNS ARE POSTED AND AVALANCHES ARE TRIGGERED OFF WITH EXPLOSIVES OR GUN FIRE, TO SPEND THEIR FURY HARMLESSLY.

where the sogged soil slipped into the ditches being dug; requiring a great deal of work to be done over. Water ran freely down the sewer line from the Pioneer Road Pacific Avenue section, clear to the manhole just up from 101 on Oak and there the outlet must have been clogged as it bubbled into a ditch and thence into the handy storm sewer.

Because of the work on Oak, considerable water accumulated during the heaviest rains all about the new Presbyterian church site at Oak and Pacific but this eventually drained off.

Work in the lily fields was, perforce stopped but most of the growers had the majority of their replanting done and some do not replant until later anyway.

Logging, of course, was brought to a halt and may require some road fixing before it can be renewed.

Mrs. L. G. Twohy entertained at a bridge luncheon Saturday in honor of Mrs. Lloyd Moss who is leaving early in November to make her home in California.

Humboldt State College Art Exhibit Coming to Crescent City Nov. 1 - 4

Crescent City Women's club is sponsoring the Humboldt State College Art Exhibit at the Arts & Crafts Building on the Fairgrounds in Crescent City, starting Thursday, November 1 through Sunday, November 4, 1956. To encourage local artists and to promote an appreciation of art in the community during National Art Week, it was decided to bring this fine art exhibit to Crescent City, states Mrs. Henry Miller, president of Crescent City Women's club.

In this exhibit will be drawings and paintings by Melvin Schuler, head of the department of art at Humboldt State, photography by Tom Knight, pottery by Reese Bullen, Original cartoons and paintings by Dick Bibler, copper enamels and fabrics by Hal Chambers, oil and water paintings by Glenn Berry and in the advanced student section would be photography, nature drawings, figure

drawings, abstract drawings and oil and water-color paintings.

It is hoped that all the schools will be able to send interested students to his exhibit on Field Trips. The exhibit will be open from 2:00 p.m. to 9:00 p.m. daily and any teacher planning a field trip at any other hour than that is asked to contact Mrs. Lucian Rice, telephone 75 in Crescent City. The exhibit is open to the

Senator and Mrs. Wayne Morse attended service Sunday at the Baptist Community church.

The Baptist church choir will practice Friday night at 7:30 the time being changed so members may attend the PTA.

Mr. and Mrs. Ralph Reed are spending a week in Medford and Ashland on business.

Mrs. Erskine Miller entertained the sewing group Tuesday.

public and no charge will be made for admittance.

Measure Number 7, if passed, will prevent sea food fishermen from fishing in our coastal bays.

Here's what will happen:

1. It will limit catches when they are needed most for the retail market.
2. It will increase the cost of Salmon due to seasonal scarcity.
3. It will cripple Oregon's important fishing industry.
4. It will be a hardship on hundreds employed in the fishing industry.

The Rains Hit Brookings Area

The latter part of last week came the first really drenching rains, just as the elk hunters were taking off.

Locally, no serious damage was reported other than the roiling of the streams, bringing a halt or at least a vacation to the salmon angling. Streams came up slightly and then went down rapidly when the rains let up.

Perhaps the most costly damage was done on the sewer work

Democrat REPRESENTATIVE IN THE STATE LEGISLATURE DISTRICT 17 COOS AND CURRY COUNTIES

A busy week end was had at the Woodland Park Clinic. Between the two doctors Paul Roninger and Dave Brown and the stork, six little infants were welcomed into the world ready to face the election returns.

The four newcomers are: A baby boy born to Mr. and Mrs. Travis Davis on the 27th day of October.

Another boy was presented Mr. and Mrs. Jim Archibald on the 25th of October.

The third visitor was another boy. Mr. and Mrs. Rolla Sharp are the proud parents. Their little youngster said Hello World on the 24th day of October.

And then we have a little girl. Mr. and Mrs. Stanley Planchon welcomed the female part of this quartet of announcements on the 28th of October.

Mr. and Mrs. Ted Freeman welcomed a baby girl into their family circle on October 30.

A baby boy was born to Mr. and Mrs. LeRoy Caparoon on the 29th of October.

Who says dream cars never come true?

Dynamite from Detroit

Coming! America's first production dream car — it will influence the shape of cars for years to come.

The old Detroit rule was to introduce new features gradually, to make little changes each year. Sometimes a new grille, an engine improvement, or new colors and trim.

We broke that rule. In fact, we broke all the rules. *This is dynamite!*

For you are not the only one who has dreamed of a totally modern car, a car that has everything you find at automobile shows, in illustrations, and in custom-built experimental cars.

Detroit has had that dream, too. And that's why the 1957 Mercury is the car that has honestly excited the most car-jaded, the most sophisticated of Detroit's automotive experts.

When you see the new 1957 Mercury, you'll see America's first full-production dream car—a car that

will influence the shape of cars for years to come.

You'll see a dream car you can own and drive—a car that has far more than startling years-ahead beauty.

THE BIG M for '57 boasts dream-car features never before found outside a designer's dreambook: a Keyboard Control that makes ordinary push-button driving old-fashioned; an exclusive Floating Ride with a revolutionary new cushioning action you have to feel to believe. There are Mercury "firsts" everywhere you look. A Power-Booster Engine Fan in the Montclair series that saves horsepower other cars waste. And many more Mercury exclusives.

You'll see THE BIG M—the new Mercury for 1957—soon. You'll see it. You'll drive it. The first dream car that can be yours. The dynamite is on its way from Detroit to your dealer's—now!

STRAIGHT OUT OF TOMORROW
