Baby's Shoes Gorgeously Bronzed

Exclusive new DUCTYL* process by **THE BRON-SHOE**

What gift could possibly give Dad or Grandmother a bigger thrill than baby's precious shoes gorgeously plated in Solid Metal? And so useful too... as a TV lamp (shown)... or bookends, portrait stand, ashtray, desk set... or even unmounted. Priced from \$3.95 single.

IMPORTANT: Do not confuse with inferior imitations sold thru the mail. The Bron-Shoe DUCTYL-copper Process preserves every wrinkle and makes possible the elegant finish which is the hallmark of quality. Never need rebronzing. Sold only in retail stores.
