

# Harbor . .

Mr. and Mrs. Sterling Moffitt have as houseguests Mr. Moffitt's mother, Mrs. Mabel Moffitt of Georgetown, California, and his brother and sister-in-law, Mr. and Mrs. Harold Moffitt and son of Portland, all of whom arrived Thursday. They came to attend the wedding of the Moffitt's son, Leroy to Delores Midwood, an event of Friday evening.

Mr. and Mrs. Paul Scholl and baby of Puente, California, are spending their vacation here visiting Mrs. Schott's mother, Mrs. Harry Payne and other relatives. Mrs. Schott will be remembered here as Jacqueline Lyons and she graduated from the local high school.

Mrs. Rose Poole is recovering nicely from a bout with the flu. Her daughter, Mrs. L. A. Stoner of Klamath Falls was over here taking care of her.

Mrs. Estelle Webb accompanied her sister, Mrs. Alice Gero, back to her home in Fresno recently when Mrs. Gero returned home after visiting here for several weeks. She plans to go to Los Angeles to have her eyes treated by a specialist before returning home.

Mr. and Mrs. Joe Zumpfe were called to Merrill last week to attend the funeral of Mr. Zumpfe's mother, Mrs. Marie Zumpfe, who passed away after a short illness. They visited a few days with other relatives before returning home.

Mr. and Mrs. James Carson are the very proud parents of seven pound eight ounce Jannie Marie, who joined their family at the Seaside hospital on November 12. Mrs. Carson's mother, Mrs. M. E. Wood had been up from her home in California for some time to help care for the newcomer and mother. It didn't take Mr. Carson's parents, Mr. and Mrs. Thomas Carson, very many days to drive down from the new home in Aurora, Oregon to become acquainted with their new granddaughter either.

Mr. and Mrs. Milton Foster enjoyed a several day's trip to the Rogue River valley over the Veteran's Day week end. They visited at the home of Mr. Fosters brother-in-law and sister. Mr. and Mrs. E. K. Bagley in Medford, and with other relatives in Ash-

land and Yreka. They were glad to get back to the mild ocean climate when they returned.

Mrs. H. J. Weigel is recuperating slowly at her home from her heart condition, but visitors are still not allowed to see her. Her sister, Mrs. Merle Nelson of Bonners Ferry, Idaho is here taking care of her.

Mrs. Lee Perez is now able to move around some after being in bed for five months with a badly broken knee. The cast was removed about a month ago, and she will be able to be up on crutches in a short time.

Mrs. Fred Gardner and Mrs. Herman Arzner took Mrs. Gardner's grandson, Leroy Gardner, to a hospital in Portland Friday where he is undergoing examination and treatment by specialists. He had had headaches for about two weeks, then they became so serious he went to the doctor and was in the Seaside hospital for a day for tests. It was decided that he needed treatment by a specialist as soon as possible, so Mrs. Arzner and Mrs. Gardner rushed him to Portland.

Mr. and Mrs. Roger Oliver drove to San Francisco the first of last week to visit at the home of their daughter, Mrs. Ed Hutman. Mr. Oliver returned home Thursday while his wife remained for a longer visit with their daughter.

Congratulations to D. C. Jagger on taking first place in the Men's Jelly making contest held by the State Grange and White Satin Sugar Company. The \$62.00 spinning fishing outfit he will receive as a prize will induce him to quit work once in a while and try his luck fishing. Hanscom's Center will receive a check for \$25.00 as their reward for selling Mr. Jagger's White Satin Sugar used in the jelly.

### Letter to the Editor:

Recently you had an item in the "Pilot" regarding the newly paved North Bank Chetco Speedway. Some quick action should be taken on this matter before some lives are lost, it is not safe for sane drivers.

The Saturday after the item appeared we started driving up that road and met a red pickup literally racing towards town, and luckily we were well over on our side of the white center line.

On Sunday we did meet our "Watloo" about a mile or so up the North Bank road, when a

green pickup came towards us—around a curve—straddling the center line, and scraped the entire length of our car—tearing the chrome trim and taking off paint. We stopped at the first drive-off spot but the driver of the pickup turned on speed and disappeared towards town.

Must people with pleasure cars keep off the roads? The one year we have lived in Brookings we have always upheld drivers of trucks—but surely the drivers of smaller type trucks do not rate in that class.

The driver who hit us did not even wait to see if he had thrown us off the road or if anyone was injured. This is surely a "hit and run" case, and as we got a good look at both truck and driver, we shall continue to search out this "law breaker" and in the meantime we hope his conscience pinches.

A Citizen

### Banquet Held

Forty-six ham dinners with all

the trimmings were served at the Brookings Bible Church "Father and Son" banquet Saturday night. The women's missionary organization sponsored the entire banquet.

Following the dinner the men thoroughly enjoyed the program. It consisted of a series of scenes in which the women depicted the history of the church. Geri Randall presided as "Pastor McClain" and Margaret Breuer was the narrator.

Mrs. Jerry Guess and her committee decorated the room in

keeping with this Thanksgiving season. Lucille Cole was the expert organizer of the food committee. Mary Sedra wrote and directed the program. The dinner was served by girls from the High School Sunday school class.

According to Rev. Hollingsworth the banquet was given in agreement with the men's fellowship. The men are now busily preparing for a December Mother and Daughter banquet which they will sponsor—not only the program, but cooking and serving the dinner as well.

"Shed that frown, friend,  
let some sunshine in  
—Sunny Brook bourbon, that is!"

Step into the wonderful world of AUTODYNAMICS!  
It unleashes a hurricane of power!

It tames a tornado of torque  
It breaks through the vibration barrier  
It is swept-wing mastery of motion

There are many fresh and exciting discoveries awaiting you in the wonderful world of Autodynamics. But none is more exciting than the exhilarating performance you'll experience behind the wheel of a Swept-Wing Dodge.

This low-slung beauty takes off like a scalded cat, rips over hills like a hungry cougar, whips past slow-moving traffic like a gunshy jackrabbit. At your command is a mighty new aircraft-type V-8 engine with up to 310 hp.

And this Swept-Wing Dodge introduces such important advances as Push-Button TorqueFlite that packs a 1-2 punch. Revolutionary new Torsion-Aire that sweeps you along in a "Realm of Silence," masters curves with race car torsion bar suspension. New Total-Contact Brakes—the greatest in the industry!

This is Autodynamics . . . where everything is new from road to roof. It's all yours in a lithe, lean master of motion only 4 1/2 feet high. You have never seen, felt, owned anything like it.

SWEPT-WING '57 Dodge

BROOKINGS, OREGON

## The Amazing Tale of the Party Li-on

Once upon a time, right in this city, there lived a party li-on. His life was a bed of roses. He'd go for weeks and never hear anyone say, "Oh, what it—the li-on is busy!" When other party li-ons (ones that were always busy) asked him how he did it, he merely replied, "In my neighborhood, all the families use their telephone party li-on 'sharingly.'" He was certainly a pampered party li-on.

MORAL: Use your Party Line 'sharingly,' too. The call that comes through may be for you.
