Bruins Win From Gold Beach

The Brookings Bruins stretched their season record to seven wins against only two losses by handing Gold Beach a 48-44 defeat on the Bruin court Saturday night.

The Bruins didn't look as sharp particularly in the fourth quarter, as in past encounters, but still had enough to stave off the Panthers in their second meeting of the season. Earlier the Bruins had beaten Gold Beach by 10 points in their home ballgame.

Jumping off to a 10-4 first quarter lead with six of the points contributed by Ron Bullock, the outcome of the game was never in doubt, although Gold Beach managed to close the gap to only two points late in the fourth quarter against the Brook reserves.

At half time the Bruins sported a six point advantage, which was the way things stood most of the time. They led 41-29 at the end of the third period, before Gold Beach put on a late spurt.

Marv Mullock, rangy junior, was high point man with thirteen points, netting them all in the second and third quarters. Ron Bullock contributed 12, Bill Workinger 11, and Ron Lane eight.

Terry Timeus, speedy Panther guard, pushed in 15 points for Gold Beach, while Delmer Kyle added 14 points.

JV Squad Wins Easily Over GB

The Junior Varsity team, operating as perfections, poured in 24 points in the first quarter to wallop Gold Beach 57-33 in the preliminary game Saturday night.

Jim Gribble hit for seven points, Dule Rutledge for six, and Jim Campbell for six in the first quarter as the Junior Brooks raced to a big lead. The pace slowed in the second quarter, but they still held a 34-21 lead over the Junior Panthers.

In the third frame the Brooks added another 13 points to pull away still further, holding Gold Beach to a mere three points 47-23.

An even nine players got into the scoring act, with Rutledge leading with 18 on eight goals and two free throws. Jim Campbell added nine, Gribble seven, Bill Gutherie six, Fred Anderson four, Gary Midwood seven, Paul Williams three, Bob Berger two, and Ray Wallen 1.

Freeman of Gold Beach did more than half of the scoring for Gold Beach with 18 points.

U. S. National Deposits Told

The United States National bank in its year-end report shows a deposit total of more than 784 million dollars.

The Brookings branch reported deposits in the amount of \$4,513,525.05, according to K. J. Kirk, manager.

Total resources for the statewide system stood at \$861,346,654, an increase of better than 13 million dollars.

Loans and discounts now total \$337,926,885, a 12-month gain in excess of \$28,800,000. Loans and discounts for the Brookings branch now total \$3,396,732.27.

"The past year has been one of increased service at U. S. National," K. J. Kirk commented. "The recent increase in savings interest rate to 2½ per cent was a highlight of the year end."

He also pointed out that 3 per cent will be paid on 3-year certificates of deposit issued after January 1. Interest on these new certificates will be paid semi-annually at U. S. National.

In reviewing the year 1956, E. C. Sammons, U. S. National president, pointed out that the bank added two new branches during the past 12 months—one at Coos Bay and the new Eastport Plaza branch in Portland. Five new buildings were completed including Oregon's first complete motor bank, located in downtown Portland. The building program is continuing into 1957, with new buildings to serve Albany and Newberg scheduled for completion in January and February.
