## Harbor News

A group of local Home Extension leaders attended the planning meeting at Gold Beach Monday. The meeting was held at the 4-H club building on the fair grounds with a pot luck lunch at noon. Suggestions were made of the subjects the various clubs would like to have taken up in the next year's extension work. These ideas will be taken under consideration and another meeting of the leaders will be held to make the final decisions. The Chetco unit was represented by Bernice Hewitt and Mintie Knisel, the Brookings unit by Faye Stanhurst and Cleo Craig, and the Winchuck unit by Kay Bolin. Two members of the Upper Chetco unit also attended but their names were not obtained.

Mrs. Lucille Irwin flew from her home in Oakland Monday to attend the funeral of her mother, Mrs. Ida Hubbell on Tuesday. She returned home, also by air, on Wednesday. Mr. and Mrs. Andrew Hoffeldt drove to Crescent City to meet her and she visited at the home of her brother and sister-in-law, Mr. and Mrs. Frank Pallady while here.

Another Harbor young man, John Dale Bravo, is in training at the Naval Training Center in San Diego. Jackie is the son of Mr. and Mrs. Dale Bravo.

Mrs. William Skopec of Redondo, Washington and her mother, Mrs. Mattie Smalley of Los Angeles are visiting this week at the home of Mrs. Skopec's daughter, Mrs. Mattie Keffer. Mrs. Smalley plans to leave for her home on Saturday and Mrs. Skopec will return north then also if the weather is good.

Harbor is catching up with the times. A pay telephone booth has been placed on the porch of Hanscam's Center for the convenience of the public. Hanscam's are also doing some more remodeling, putting a new floor in part of the store that was used for a storeroom, and removing the partitions so that the store floor will be enlarged about a sixth.

Mrs. Myrtle Schaal of Crescent City is visiting for a few days with Mrs. Erma Rice.

There is great rejoicing in the Crockett clan these days as there is finally another link to carry on the name of Crockett. Mr. and Mrs. Davy J. Crockett of Smith River became the parents of nine pound four ounce Donald Stephen

at the Seaside hospital on January 22. This is the first grandson for both the paternal grandparents, Mr. and Mrs. Donald Crockett of Harbor and the maternal grandparents, Mr. and Mrs. Lloyd Bunnell of Brookings.

Mr. and Mrs. Alvin Woodriff and Mr. and Mrs. Robert Lively drove to Florence, Colorado to attend the final rites for Mrs. Woodriff's and Mr. Lively's mother, Mrs. Lillian Lively, who passed away at Crescent City earlier in the month. They encountered one of the worst snow storms of the year on the way, with lots of below zero weather. When they arrived Mr. Lively was ill and was ordered to bed for a week to recover. While they are gone, the Lively's children are with their grandparents, Mr. and Mrs. V. E. Anderson, and Mrs. Ruth Besser is caring for the Woodriff youngsters.

Mr. and Mrs. Hugh Dawson Jr. and daughter, Cari Coleen arrived at the home of Mrs. Dawson's parents, Mr. and Mrs. Albert Mincer Saturday. They have been in Ansbach, Germany where Mr. Dawson was stationed with the army for over a year. They left Ansbach on December 22, and made the trip to the U. S. by boat arriving in New York on the 31st. They visited on their way west at Fort Collins, Colorado with Mrs. Dawson's grandfather and uncle, then for a couple of weeks at the home of Mr. Dawson's parents, Mr. and Mrs. Hugh Dawson Sr. at Coolidge, Arizona. Mr. Dawson plans on working until next September when he will enter Oregon State college and take an engineering course.

There is an epidemic of mumps going the rounds these days, with the ailment attacking many adults as well as children.

## Library News

Memberships in the Chetco Community Library Association was the prime topic at last Monday night's meeting of the board. Mrs. Myrtle Schaal, association secretary, said that there were almost no renewals of former members nor new memberships taken out. Affiliation with the association costs but \$1.50 per year and the board members feel that they should be joined by every family in the community served by the facility.

## Pinochle Party Held At Miller Home

Mrs. Barbara Miller entertained the Pinochle club at her home on Parkview Drive. Those present included Alice Gran, Fern Farnham, Maude Phillips, Marie Brown, Laura Tyler, Ruth Hritz and Marie Bishop.

Mrs. Hritz held high score, Marie Brown won the pinochle prize and Marie Bishop walked away with the booby prize.

name of the City of Brookings, budgetted funds take care of the actual expense of the library upkeep—electricity, water and similar charges, none of which goes to any individual—not even the volunteer librarian—the association must provide money for many other functions. The city money comes from the taxpayers within the city limits. There is a small income from rentals and fines which is turned over to the city. Membership money is added to the book purchase fund and wisely used in making the library of greater value to the area.

Mrs. Mildred Byrne was named to form a membership soliciting committee, each member of which will provide membership cards to all who wish to interest themselves in maintaining this service.

## VALUABLE LIBRARY GIFT

The Harbor Community club presented an Encyclopedia Britannica to the Chetco Community Public Library together with a subscription for annual additions thereto. This very valuable set will undoubtedly be very popular as it is the latest edition. The library association is contacting a local cabinet maker to have special shelves built for the set as the volumes are a little too large for their standard shelves.

Together with a previously donated Webster's unabridged dictionary and an unabridged Oxford dictionary, this latest addition makes a very impressive array of reference volumes not frequently found up-to-date in a small library.

## IN MEMORIUM

A year's subscription to the American Rose magazine has been given to the Chetco Community Public Library by Mrs. Paul De Block Sr. in memory of her husband. Paul loved roses more than any other of his great family of flower friends and this legacy should keep alive that interest.
