**Legislators
Get Lily Bulbs**

Oregon legislators were prob-
ably busy this week planting
Croft lily bulbs. This came about
in this way

Vern Ayres, manager of the
Oregon Coast Association, called
Brookings-Harbor Chamber of
Commerce president Paul Fauerso
and told him that about a hun-
dred Oregon legislators were com-
ing to Tillamook to visit, and at-
tend the Oregon Coast Associa-
tion convention being held there.

He said that Tillamook was
presenting the delegation with
cheese packages, and that Astoria
was furnishing smoked tuna pack-
ages. He suggested that Brookings
furnish lily bulbs.

Fauerso started the wheels
grinding. He called Joe Zumpfe,
who just happened to have some
lily bulbs on hand that he was
willing to contribute to the cause.

Then the Brookings-Harbor Pi-
lot found some printed cards,
telling about Croft lilies, which
would be stamped to the bags
holding the bulbs. He got the
cello bags from Don Vaughan, at
the Hi-Way Market.

Then Sunday Mr. and Mrs. Fau-
erso and Mr. and Mrs. Jack Hagen
packed the bulbs, and gave them
to Merrill Bullock, who took them
to Tillamook.

According to Ayres—the legis-
lators were delighted with their
gift.
