Gladys Mann, Chairman; Wilda Poole, Vice Chairman, and Ruth Payne, Secretary Treasurer.

Mrs. Sylvia Lee Home Extension Agent was guest speaker and led an interesting and very informative discussion on Family business and Law. We have been very fortunate in having Mrs. Lee visit our group on several occasions, the last being the March meeting, in which she gave a demonstration on Home Ready-Mixes.

Six women of the group have attended the four all-day dress making classes which were led by Gladys Mann and Vera Leeds. The women who have completed their cotton dresses are; Alice Thomas, Ruth Payne, Elaine Smith, Dorene Clark, Neva Thorton, and Wilda Poole. All members are urged to attend the Homemakers Festival to be held at the Sixes on May 2.

Mr. and Mrs. E. J. Carrillo of Grants Pass drove over to Harbor Tuesday afternoon to help Lee celebrate his birthday on Wednesday. When Lee was asked how old he was he said his 39th was just around the corner, but he didn't say what corner
