GENERAL INSURANCE

25 acres with a seven room modern home in Harbor. Close to highway and market, gravity flow spring water. Outbuildings consist of a large barn, 42x22, 4 car carport. All fenced. We have an excellent idea whereby you can make a lot of money on this property. Would be a fine idea for a G.I. farm loan, or can be had on 29% down. Come in and let us tell you about this.

A duplex in a fine location on paved street can be had very reasonably. Here you can live in one and rent the other to make the payments. This is a peach of an investment and down payment and terms are right. See this today!

A mighty fine home at 323 Spruce Drive just lowered by out of town owner. Yes, drive by and see this lovely home, then come in for full details.

Another owner wants us to give him some quick action and has lowered the down payment and also the total price. This one in the \$8,000 bracket and very nice. Location on Memory Lane and close to the mouth of the Chetco river. Extra fine for a retired couple or small family as when the new jetty is finished you can walk right out a short distance and go fishing. Loads of beautiful flowers and shrubbery that cost many hundreds of dollars.

And by the way there is still available some very, very choice river frontage lots as low as \$100.00 down and balance on terms that you pay for trailer space. Water, electricity, place

to put your boat, trailer or what have you here. Someone is going to be very sorry when these are all gone and believe me they are going fast. Secure your fishing spot now. Price and terms so reasonable you won't miss it and still you will be making a wise investment. Let's go now!!

If you are a veteran and looking for a four B.R. home then see us as we have two right now. One with five acres and one on large lot. In and out of town. You'll thrill at the beauty of view and price here so come in as we are proud to show you these. Will appraise high.

Some mighty fine up river acreage. Only ten minutes to the city. Good pasture, good gardens, good water, good homes, good outbuildings, good fishing, good views, good roads, good school, good everything with good living, good prices, good terms, and it's a good day for you to go looking with me, period.....

AND--IN OTHER WORDS DON'T BUY ANYTHING AT ANY PRICE ANYWHERE UNTIL YOU HAVE CHECKED WITH US--BELIEVE YOU HAVE CHECKED WITH US --BELIEVE ME WE HANDLE THE VERY BEST IN REAL ESTATE AND INSURANCE.
