## MENNINGS TO HAWAII

Mr. and Mrs. Ralph Menning will leave on July 17th for Las Vegas, and then to Hawaii on a week long trip through the courtesy of the American Motors Co. as a prize for selling the most Ramblers in this district.

The prize trip is the conclusion of a three month campaign by that firm.

The telegram received by Mr Menning follows:

Congratulations on obtaining first place in your group in the "Go After More Sales" campaign. Your sales efforts enabled Rambler to set a new all time record for sales for the month of June. Your continued efforts will do much to enable us to maintain our current selling pace. Have a good time in Hawaii.

R. M. Stephenson

Appraise your attitude toward driving. Do you consider it a boring task, as a chance to show off your ability to cut corners, or as an operation requiring your alertness, full attention and best driving skill? Finally, remember your courteous driving habits. When two discourteous drivers meet, they're likely to meet head on. It is much safer to be polite—and to watch out for rude drivers who take foolish chances.
