

OKLAHOMA PICNIC SUNDAY

The annual Oklahoma picnic will be held Sunday, July 14th in Cavemen's Park in Grants Pass, Oregon. Barbecue, coffee and lemonade will be served. Everyone should bring their own table service along with salads, deserts, etc. There will be entertainment throughout the day including an old-time fiddler's contest. All former Oklahomans are invited.

STREAM INSPECTION

This is a good time of year for Curry County farmers to inspect the streams on their farms and to carry out any maintenance needed, according to Donald C. Greeves of the Soil Conservation Service.

Any new cutting on banks should be controlled with riprap of trees or ear bodies that are anchored to the bank. Another thing that should be done is to remove any log or debris in the middle of the channel. These jams will form bars and might cause severe bank cutting if they are allowed to remain. Any trees that have fallen along the edge of a stream should be taken out to keep from adding to the debris moving down the stream. If these small jobs are taken care of before they get too large they can save larger and more expensive jobs in the future.

TRIP TO VALLEY FORGE TOLD

EDITORS NOTE: The following article was written by Allen Kerr, who is serving the Pilot as a reporter, on his trip to the National Scout Jamboree in Valley Forge. Kerr and Ed Ransom are attending from this city.

Ed Ransom and I went to the Veteran's Memorial building at 10 o'clock on July 3rd. There they gave us a check-up. We were put in Troop 22 of Eugene. Then we hiked to the train station and got on car 1144 and went to our berths. (We were traveling first class Pullman.)

We left Eugene at 4:40 p.m. We stopped in Salem long enough to eat lunch, and when we got on the train again the Porter made our berths, but we didn't get to sleep until midnight.

The next morning at 5:30 most of us were up but it wasn't until we got to Spokane that the diners were added to the train. We left Spokane at 7:30 and we ate soon after.

After breakfast some announcements were made, about eating, sleeping, and getting on and off the train.

There wasn't much activity after that except playing cards. We learned that there were 360 boys on our train. They made a total of 9 troops.

After lunch we had a check-up and most of us slept until we came to Glacier National Park and there we saw some Indian dances done by a troop of Boy Scouts from Oregon, and some by the Indians that lived in the park.

As we left the park we ate dinner. Then we played cards or other games until our beds were made and that night we got to sleep by 10:30 p.m.

At 5:30 this morning we got up and ate breakfast, and since then I have been writing this letter. I will be writing again next Friday, so until then so long.

Your reporter,
Allen Kerr

ATTEND CONVENTION

Jim Wallen and Albert Duncan of the Checo Legion Post 138 drove to Bandon last Sunday to attend the delegate caucus, for the 16th district, in preparation for the annual state Legion Convention, which will be held in Eugene on Aug. 8-9-10.

The meeting was called to nominate area candidates for the convention. Wallen is the local Legion post commander, while Duncan is the post adjutant.

Bill Hammon drove the 40 and 8 wagon to Coos Bay over the week end.

AUXILIARY CAUCUS SUNDAY

The American Legion and their Auxiliaries of District 16 will hold a caucus at Port Orford on Sunday, July 14th followed by a picnic at Humbug State Park. All Legionaries and their wives are urged to attend as a good time will be had by all.

A baby boy was born to Mr. & Mrs. Glenn Perry, on July 8th. Dr. Anthony Leschin was in attendance.

A daughter was born to Mr. and Mrs. John Showers in Crescent City on July 6th. Dr. Leschin was in attendance.

DEATH TOLL UP

The highest June death toll since 1952 was recorded last month on Oregon streets and highways when at least 45 people were killed in accidents.

The count also made the month the worst so far this year and brought the state's six month traffic death toll to 128. The six month count last year was 190.

Several multiple-death accidents including one near Bend in which five members of a family were killed, helped shove the toll upward, according to the Department of Motor Vehicle's traffic safety division.

Several persons injured in June mishaps are still reported in critical condition so the final count might be still higher, the division said.

The month-by-month traffic toll this year shows January with 27 deaths, February, 29; March 36; April, 31; May, 31; and June, 45.

The worst single month ever recorded in Oregon was August, 1956 when 59 people were killed in traffic accidents.

DON'T BUY ANY CAR BEFORE YOU DRIVE A CHEVY... ITS BEST SHOWROOM IS THE ROAD

Beauty in motion—Chevrolet Bel Air Sport Sedan with Body by Fisher.

Here's why Chevy's best showroom is the road!

Because Chevrolet's sleek good looks, its advanced features, are only part of the story. The big bonus is its remarkable *roadability*, the crisp precision handling that has posted an entirely new standard for cars in every price class. There are reasons for this, of course: Chevrolet's balanced weight distribution that takes

excessive loads off the front wheels, the wide stance of outrigger rear springs, Ball-Race steering, spherical-joint front suspension. Sure, you can admire the sculptured lines in the showroom. But Chevy's a car specifically designed for beautiful motion—you have to travel in this one to know just how terrific it is. Try it, this week!

MORE PEOPLE DRIVE CHEVROLETS THAN ANY OTHER CAR
