A SHORTER DEER SEASON IS BEING PLANNED
A shorter either sex deer season that last year would be in store for hunters if the tentative hunting regulations adopted by the game commission are given final approval at a second public hearing to be held on July 26.

A buck deer season starting September 28 extending to Oct. 18 would be followed by a three day hunter's choice season in most of the state with the general season ending on Oct. 21.

NEW BILL FOR BOATS

Local boating enthusiasts have written for and received a copy of House Bill No. 741 recently passed by the state legislature relating to small boats.

The new law takes effect on August 1, and includes some very important provisions.

First every motorboat shall carry a Coast Guard approved life jacket for each person aboard.

Two, every motorboat shall carry lights from sunset to sunrise.

Boats over 16 feet in length must carry a whistle.

Boats must have a muffler included in their equipment.

All motorboats shall have on board in good condition at least one fire extinguisher.

The law also provides for such items as the prohibiting of operating a boat under the influence of liquor, as well as a number of other rules and regulations concerning the operation of small boats.

A local boat club, now being formed has a copy of the laws.

TOMPKINS APPOINTED
Appointment of Elder Melvin Tompkins, of the Brookings Seventh-day Adventist Church to a position of top responsibility at the Gladstone Park Adventist camp meeting to begin July 25 was announced today by Elder Lloyd E. Biggs, conference president.

Pastor Tompkins has been named on the visiting committee, which will involve considerable responsibility on the campground including calls on more than 1400 tents.

The local pastor is currently helping pitch camp at the park. Plan is to have everything in readiness on the grounds two days before the opening meeting.

FIRE AT FLOSSIE'S

A fire accidentally blazed on the stove at the Buzz Bee Diner Wednesday, and operator Flossie Buchanan went next store to get Larry Roemnick to help.

Larry used an extinguisher to put out the blaze, and was rewarded for his troubles with a big "I am a HERO" button, designed especially for the occasion by Mrs. Hap Lewis.

THANK YOU

Our sincere thanks and deepest appreciation to all the firemen of the Brookings and Harbor fire department for their wonderful efforts Wednesday night at the fire at our mill. We wish to thank all that helped in this matter.

Elmer and Gunnar Hedberg
