

OFF FOR HAWAII are Mr. and Mrs. Ralph Menning. Menning won a sales contest for the Rambler, and the American Motor Co. gave him an all-expense trip to Hawaii, via Las Vegas, for himself and his wife. Menning was a new dealer for the district, which make his record even more remarkable. Also shown is R. E. Jones, district manager for the American Motor Corp. from Portland.

**LOCAL CHURCH MEMBERS TO ATTEND CAMP MEET**  
 Nearly all members of the Brookings Seventh-day Adventist church will be attending the Gladstone Park Seventh-day Adventist camp meeting session this weekend, according to Elder M. L. Tompkins, church pastor.

There will be no regular worship appointment at the church either this weekend or the one following.

Services began Thursday night July 25, and will continue through Saturday night, August 3.

Highlight of the opening weekend will be the ordination of three ministers of the Oregon conference.

Delegates from the local church helped select conference officers for the ensuing two year term at the biennial business session which took place on July 24, and July 25.

With weekend services only days away, church members and friends are already beginning to pour onto the campground. Every available tent space has been taken. Pastor Tompkins estimates there may be as many as 15,000 people on the grounds on weekends.
