

TO FORM JUNIOR BOWLING LEAGUE

The formation of a Junior bowling league for Brookings is now underway. Bowling will be held at 10 a.m. Saturday mornings for the youngsters. No age limit is being set, and any youth old enough to lift a bowling ball is welcome to participate.

The registration for the program will be held on August 17, while the league rolling won't start until October. The first weeks will be devoted to instruction, which will be provided free by those interested in giving the kids an opportunity to learn a sport.

Adult supervision will be provided at all times for the young keglers. Some sponsors have already agreed to sponsor teams.

More sponsors may be needed depending upon the turn out at the registration, and the interest shown by the bowlers.

As classes will be formed to provide instruction, those who haven't had any experience are welcome.

Those interested are asked to phone 3584 or the bowling alley for further information.

Boys and girls are both welcome. It will cost 25¢ a line in league bowling for the kids.
