Harbor NEWS

Lee and Julia Springer returned to their home in Portland after a two week visit here at the home of their grandparents, Mr. and Mrs. Roy Springer.

Nine year old Roger Liles was able to be brought home Wednesday after an eight day seige at the Seaside Hospital where he was taken with an ruptured appendix. He is reported to be coming along nicely now. His parents are Mr. and Mrs. R. Liles and they live on the Winchuck.

Miss Helen Lucas is enjoying a few weeks vacation at the home of her cousins, Mr. and Mrs. Larry Lucas at their lodge at Agness, up the Rogue River.

After your correspondent became all excited over the rattlesnake story in last weeks issue, she has been set straight on the correct facts for the story. Instead of saying a fourteen button rattler, she should have written, fourteen rattles and a button, as no self respecting rattlesnake ever has more than one button to its name and that is on the tip of the rattles. If there is no button on the rattles it shows that some of the rattles have been broken off.

Something new in catching smelt is all the rage this year. Instead of using a net as before, when there is a good bunch of them in the mouth of the river, the banks are lined with people snagging the smelt with treble hooks on their lines. Lots of smelt have been taken that way during the past few weeks, and if one doesn't cover their smelt when they have them up on the sand, the sea gulls enjoy a good dinner at the fisherman's expense.

CLUB RE-ACTIVATED

The Brookings Camera Club has been re-activated, and a blanket invitation has been issued to all camera enthusiasts to attend the meetings of the group. The next meeting will be held at 7:30 p.m. at the Bonn Motel Recreation room.

The "Pleasure Picture Camera Club" met recently, and a 35MM slide strip of Mt. Rainier was hown by Dan Baird. Present were Laura Barker, Ken Barker, Dan Baird, Bessie Baird, Chuck Behee, Ed Lake, Ron Pearson and Jack Hagen.
