**MUST TELL YOU THAT SOME** of those exceptional buys that we told you about last week and the week before have disappeared from the market. I knew they would as they were really priced right. However, we still have the one with the small house and two trailer hookup priced last week at \$2,950.00. Will do better than this so come in and make us an offer. Someone is going to make some money on this deal.

**AND HERE IS A BRAND NEW** and really good buy if you are looking for a fine lot also with a small house with full concrete foundation, brand new well, brand new casing, brand new plastic pipe, brand new pump, and pressure system, two brand new septic tanks, brand new trailer house hookup. Almost brand new you to death on this one. You must come in and look at this because the total price is only \$2,250.00.

**LET US NOT FORGET THAT** home in Harbor where the owner will take a house trailer in trade. Have a very good new price on this one so let us see a trade or some cash either. I'm telling you we have buys that we have never had before and that is the reason they are selling so fast. Come in and look at these now.

**AND HERE'S ONE WITH SO** much brush, trees, shrubbery, etc. that you might want to go trapping this winter. But besides this there is a starter house, wonderful year round spring, ocean view, etc. that you must go see because the total price here is only \$2,250.00 as of a few weeks ago and now you can have this for a lot less but you will have to come in to find out how much less we can go. And many others to see if you don't like any of these because when it comes to the finest of listings you will find them at the Leonard Real Estate Office, where the largest trained staff in Southern Curry County waits to serve you.
