

USE LAND OF WINTER FLOWERS FOR BETTER LIVING
Anyone can make a flower arrangement.

Making an attractive arrangement is based upon various rules and regulations which govern any creative art.

This was the essence of a talk given by Mrs. J. A. Goertzen to the Azalea Garden Club Thursday. Observation of good pieces and good practices will be of value to the beginner desiring to improve his work. "Modern flower arrangement's most outstanding characteristic is boldness" stated Mrs. Goertzen.

The speaker, president of the Innominata club and student judge was assisted by Mrs. Alma Russell also of Gold Beach.

About 50 members of the local club and guests were present. Hostesses for the dessert luncheon were Mrs. Robert Swan, and Mrs. Thomas McKenna. Mrs. John Connors won a basket of daffodil bulbs, given as drawing prize.

Preceding the business Arthur Knox was given time to stress the importance of supporting the Chamber of Commerce.
