JR. LEAGUE CHANGE MADE

The Junior leagues are beginning to form now. This Saturday the boys and girls will come at the new time. The change of time is for the high school boys and girls, who will have their league games in the morning.

This Saturday meetings will be held for the boys and girls to choose their officers and turn in membership fees of 25¢.

Those bringing 25¢ will be placed on a team. These are sponsored leagues and teams. The new league times will be as follows:

High School at 9:30 AM, 6th and 7th and 8th grades at 12:30 PM, and Young Children (Bantams) at 2:00 PM.

The Rotary has sponsored the intermediate and the Elks the Bantam league. The high school teams are individually sponsored. The group is still accepting prize lists. Those that have called in will be contacted soon about the prizes.

All of the young bowlers are asked to be sure and come at the new league time. The leagues are filled at this time, but a new instruction class will be started soon. Those that have missed these classes may turn in names and they will be contacted for instructions, or openings in the league.

There are over 150 youngsters signed up for three leagues.

This service begins at 10:55 AM following the Bible school period which begins at 10:00 o'clock. The public is cordially invited.

Plans are under way for the fall and winter program of the Church of Christ. This special series of activities will begin with Rally Day services to be held October 6th. An all-out effort is being made to have 100 people present in Bible school that day. Further announcements will be made later concerning other fall and winter activities of the church that are being planned.

The mid-week prayer meeting and Bible study that was discontinued during the summer months was resumed last week and will be held each Thursday evening at 7:30 o'clock. All services of the church are held in the I. O. O. F. hall. Everyone is invited.

HERE ARE TWO OF THE SCENES in the Coos-Curry Electric Co-op's Open House held last Saturday. At top is Russell Messer, local manager, standing between some of the large amount of flowers sent the firm. Below is a little girl ready to sample some of the cake passed out at the open house. Mrs. Grace Yelton is in the background having coffee. A painter can be seen putting the finishing touches on the building, which is one of the nicest in Brookings. It was built by Roy Weideman.
