MEET THE FOLKS AT TITLE GUARANTEE

Harry Peterson

Harry Peterson came to Gold Beach from Fresno about a year and a half ago. His job here is title examiner. He examines titles and makes a judgment on the quality of the title which then goes to the manager for approval.

In Fresno he worked for the title company there for several years after attending Fresno state college. A native of Washington, Harry has married since coming to Gold Beach and is active in many community projects of which his favorite seems to be the boy scouts.

As to what he thinks of the area Harry says, "Curry county is a state all its own."
