GRANGE BOOSTER PROGRAM IS GIVEN GOOD RECEPTION

The annual Booster Night program presented by Chetco Grange #765 entertained a large crowd at the Grange Hall last week.

The program was put on by the Lecturer Ted Robinson assisted by Virgil Clark.

The community had been extended an invitation to attend the program, which is the one time each year the Grangers have an open house program for their community.

As the name implies, the program is to "boost" the Grange and all it stands for. The speaker of the evening was State Grange Deputy Joseph Guttridge of Portland, who told of some of the many things the Grange has done in not only the rural areas, but for the whole country. He also presented Silver Star pins and certificates to two Chetco Grange members, Kathryn Foster and Tony Olsen in recognition of their twenty five years of continuous membership in the Grange.

Dr. David Brown spoke on the Asian flu and its symptoms. Superintendent of Schools Gene Allison spoke on the situation now facing the local school district, and the necessity of more class rooms for our children. Blossom Behee presented several of her pupils in ballet and tap dancing routines.

In a short skit, Mrs. Julie Wersch had plenty of trouble from door to door salesmen when she was trying to do her housework, which never got done. This was topped by the announcement that her husband was bringing home some salesmen to dinner.

A "beauty contest" to select Miss Chetco Grange of 1958 was held with several glamorous young contestants taking part. After the audience had quieted down enough for the judges to be heard, it was announced that Alan Woodriff had won the title, and he was presented a trophy.

The program was closed by the Master, Joe Zumpfe, who thanked everyone that had taken part in the program. After the program a social hour was enjoyed, with refreshments served by the ladies of the Grange.
