The Brookings Jayvee squad played a much improved defensive game, and lost to a strong Del Norte Jayvee squad that had beaten them earlier by a big count, 7 to 6.

In the first quarter Coach Cal Pace's crew kicked to Del Norte's 30, and it was returned to the 43. Eight plays later they lost the ball on downs on the 25 yard line. Brookings drove down to the Del Norte 15 where they were held on downs.

Del Norte was forced to kick on 4th down on their own 22 yard line. Brookings returned the kick from the 50 to the 40. On 1st down the drove to the Del Norte 32 as the quarter ended.

SECOND QUARTER

With Gardner, Arnett and Bard well taking turns they drove to the 3 yard line where Harold Gardner went over for the T.D. The kick for the P.A. T. was just below the Cross bar.

Brookings kicked to Del Norte 35, and it was returned to the 40. One end run of 20 yards and several short gains put the ball on the Brookings 5 yd. line where Bob Sulter went over for the score with only 30 seconds left in the first half.

The third and fourth quarter were defensive battles, with Del Norte threatening once but held on downs.

The Brookings squad will play its last J. V. game against Pacific High Varsity of Port Orford next Saturday at Port Orford.

ARTISTS SEE FILM

The Pelican Bay Arts Group viewed a movie about painting and printing last Friday evening at their Art Center building.

The Movie, produced by the Ford Motor Company, illustrated how the company's Ford Times magazine is produced.

The first part of the movie showed Rex Brandt, California artist, painting a scene, in watercolor, on the spot. Interesting painting and sketching techniques were shown.

The second part of the movie had to do with the actual processes involved in the printing

of the magazine. Rotogravure and Offset Lithography are the two printing techniques used.

After the movie, Bud Pisarek, demonstrated some oil painting skills.

He used an oil on cardboard technique and emphasized the value of using sketches as an aid to compositional problems.

Refreshments were served by a committee. The next meeting will be held Friday, October 11 at 8 p.m. when the group will engage in watercolor and oil painting. Any person interested in joining the art group is urged to attend.

SPECIAL ROCK PROGRAM TO BE PUT ON FOR SCOUTS

A special program will be presented to the Brookings Boy Scouts at 7:30 p.m. in the VFW hall, on Thursday, October 17, by the members of the Mt. Emily Gem and Mineral club.

October has been designated as Geology month by the Boy Scouts of America National Headquarters, and the local mineral club is giving the project its support and service.

Gem and Mineral clubs in all the states are being asked to contribute in this effort.
