Your American Legion Chetco Post #138 wishes to take this public means to thank their fellow businessmen and members for their fine support and cooperation in their fund-raising efforts to build the American Legion Community Hall.

Plans are already drawn and tentative building financing obtained. The property is already purchased, being situated on the bay, overlooking the blue Pacific. Plans are in progress for a game room, auditorium room, and a series of meeting suites for dinners and meetings.

This Community Hall will be for use by the public, private parties and church groups.

As is well known to the community the American Legion has in the past devoted its time to the welfare of its youth, having last year sent three boys to Boys State at Corvallis, for one week, during which time they learned and put into practice the administration of our system of government.

Your American Legion Chetco post #138 has actively participated in Veterans programs, and has won two awards at the State Convention for cemetery clean-ups of veterans graves and in the joint program of memorial services held at Azalea Park at which time the Rifle Squad
