A COUPLE OF WEEKS AGO we advertised a place with a trailer hookup and small house with a full cement foundation, new well on large lot in a fine location, plus many other good features. The price then was \$2,250.00. As we mentioned in that week's ad the owners have to leave. Now take another good look because the price has just been lowered to \$1,750.00. This can either be a cash deal or \$500.00 down with the balance like trailer space rent. If you are interested in a deal of this kind I don't know where or how you can beat this. Drop in right away as the owners must get away to another job out of this area.

ONE OF THE FINEST THREE bedroom homes with a large family room, bath and a half, fine utility room and many, many of the very best features to be found in any home. This place has just been reduced in price to \$14,900.00 which really makes this home a very attractive buy. Really must be looked over to appreciate it's true value.

WELL NOW THAT THE FISHING season is on why not buy some river frontage where you can have your own boat. We have some of the very best on the Chetco and Winchuck priced right and on your own terms. Also some beautiful ocean frontage both in Brookings and also Harbor. You will like the listings that we have to offer you at this time so drop in and let us know what type of property you are interested in. Also if you are interested in selling let us know what you have to offer as we do have calls for some types of properties that we do not have listed.

IF YOU ARE LOOKING FOR the very best of insurance of any kind call on us as we have the largest most financially responsible companies in North America. Our highly trained staff is

at your service to answer all questions without any obligation. Just phone 4411 and one of us will be out to see you.
