

The Profits From Thrift

Are best appreciated by men along in years who have succeeded by their own efforts. Some day you will reach that old age period when you may enjoy the profits of thrift practiced in your younger days.

Are you banking a portion of your earnings? If not, start an account with us today.

Look at the ocean and Devils Lake, while we attend to your wants.

Delake Postoffice Building
Delake, Oregon

The Perrine Vacuum Fireplace

I have overcome the back-freezing and the face-burning question. A larger opening and a small firebox. I can remodel any fireplace, or install the Perrine idea with any design mantle you wish. I absolutely control the fire in the firebox; no gases or smoke in the room. I will remodel and guarantee all smoking fireplaces or no pay.

G. L. PERRINE, Inventor
Delake, Oregon

DELAKE,

OREGON

Delake News Notes

Mr. and Mrs. J. Danielson of Portland motored in Saturday, returning Sunday.

Mrs. H. E. Warren attended the Roosevelt Highway Association meeting in Portland last Tuesday.

Dr. Carey and Mr. H. A. Hostetler attended the State Road commission meeting Wednesday in Portland.

Geo. Sutherland of Rockaway was a caller in Delake Sunday. Mr. Sutherland owns and operates a camp ground in Rockaway.

Mrs. Fred Smith, who should have returned from Portland on Thursday was detained there on account of the illness of her little daughter.

The Christmas program to be given by the Adventist and Delake Sunday Schools will be held in the club house on Sunday evening beginning at 7:30. Everyone cordially invited.

Mr. and Mrs. C. L. Lucky and children of Portland and Mrs. Luckys Parents Mr. and Mrs. John Troutline also of Portland spent the week end in the Lucky cottage here.

Mr. Crowley's son who is connected with the Oregon Journal work in Portland visited his father Mr. J. Crowley last Sunday. Mr. Crowley is now recovering nicely after his severe illness.

Tom Knoble of Taft visited relatives and friends in Willamina last week. Mr. Knoble has spent many years in the coast country and he has great faith in its future. He renewed his subscription to "Beach Resort News" so he may keep in close touch with each development movement.

Mr. Gates and son were here Monday to meet with those who are interested in building a waterworks system for this territory to serve all townsites. They outlined what could be done to build such a system. A meeting was held at Oceanlake hall, with Dr. Carey as chairman.

Gradation of Heavens

To be in the seventh heaven means to be supremely happy. According to Mohammed, there are seven heavens. The seventh, says the Koran, is formed of divine light beyond the power of description. Each inhabitant is bigger than the entire earth, and has 70,000 heads, each head 70,000 mouths, each mouth 70,000 tongues, and each tongue speaks 70,000 languages, and all of them are continually engaged in chanting the praises of the Most High. It was in the seventh heaven that Mohammed met Abraham. The Caballists also believe in seven heavens, each rising in happiness above the other, the seventh being the abode of God and the highest class of angels.

All Menace Akin

This is the most important lesson that a man can learn—that all men are really alike; that all creeds and opinions are nothing but the mere result of a chance and temperament.

Whitney & Sons

DELAKE OREGON

and that no party is, on the whole, better than another; that no creed does more than shadow imperfectly forth some one side of the truth; and it is only when you begin to see this that you can feel that pity for man kind, that sympathy with its disappointments and follies and its natural human hopes, which have such a little time of growth, and a sure season of decay.—J. H. Shorthouse.

Oysters of Old Times

The suggestion made to transplant the large oyster of Europe into American waters where it is thought they will thrive has called for the following from a scientific writer: Perhaps careful cultivation of oysters might bring back, if we desired it, such oysters as grew in the Oligocene and Miocene periods 18,000,000 to 39,000,000 years ago. If we had lived then we should have asked for a plate of oyster, not a plate of oysters. Fossil shells have been found from 6 to 12 inches across and weighing as much as 16 pounds. Oysters were oysters in those days.
