Forest Grove—Carnation Lumber Company mill will start operations January 1st.

Moose Shows Gratitude

One of the four moose in Douglas county broke into print in a story published in Good Housekeeping Magazine of last month. The story was told of on who suffered a broken leg in wilds of Douglas county about a year ago. The animal was caught and the leg set by a deputy warden and a rancher. Some time later after the leg had healed the rancher was in a boat on a stream and he saw a moose standing on the bank. Presently the animal plunged into the water and swam to the boat. The rancher rubbed the nose of the beast and then it swam away, having expressed its thanks for the kind treatment previously received.

A spell of extremely cold weather is welcomed by trappers. The season for trapping opens December first, a month later than last year, by reason of a change in the law made by the state legislature. Cold weather will improve the fur of animals and thus render to trappers an increase in prices. The season will close February 28. Already several hundred men have received licenses from the state game commission.

Salem—Gas turned into new 50-mile main between Portland and this place, which will supply this city with gas direct from Portland plant of Portland Gas&Coke Company.

A Dollar Dinner for Four

If four people went into a restaurant and tried to get four dinners for only twenty-five cents each, people would begin to suspect their sanity. But at home it's a different matter! Just look at the meal which the intelligent housewife can purchase for her family of four for a modest dollar bill:

Corn and Beef Loaf\$42
Scalloped Potatoes10
Steamed Tomatoes & Celery.....17
Bread and Butter08
Jellied Pears16
Demi-tasse03
Total\$96

The recipes for this economical dinner are:

Corn and Beef Loaf: Mix the following ingredients and form into a roll: one pound ground rump of beef, one-half pound ground fresh pork, one beaten egg, one tablespoon chopped onion, one-half tablespoon salt, one-fourth teaspoon pepper, one-half cup bread crumbs

and the contents of an eleven-ounce can of corn. Place in a well-greased loaf pan and bake in a hot oven (400°) for about 45 minutes. Serves eight. For four, make only half the recipe, or cook the entire amount and use the loaf for two meals.

Steamed Tomatoes and Celery: Combine contents of a number 2 can of tomatoes, one-half cup of diced, cooked celery, salt and pepper, one tablespoon of butter and one teaspoon of sugar. Simmer gently for a few minutes.

Jellied Pears: Drain the syrup from an eight-ounce can of pears and add one-half cup water, one tablespoon of grenadine syrup and one tablespoon of sugar. Dissolve one-half package of lemon-flavored gelatin in the hot mixture and cool. Arrange pears in four individual molds wet with cold water. Pour the cold syrup and gelatin mixture over them, and set away to harden. Unmold and serve cold.*
