

TRY— TRY FIRST TO BUY AT HOME

NOT AN UNREASONABLE REQUEST from men who are devoting their every effort and investing both time and money to provide a home-town market where you may come to do your buying and selling.

They simply ask that when you are in need of anything they carry that you TRY first to buy it at home. If they cannot serve you, then go elsewhere. But in fairness to yourself, your home, your community, and to the men striving to make this a town of which both you and they may be proud, TRY first at home.

It is the home town merchant who rejoices with you when times are good—stands by you when times are hard. He is your friend and wants to give you a full dollar's worth for every dollar you spend with him.
