

Local and Personal

The M. E. Ladies Aid will meet at the home of Mrs. Lockhart, Friday afternoon, at 2 o'clock. All ladies of the community are not only invited, but requested to come, as a good time is assured.

Mrs. H. G. Wilcox and children, Donald, Elizabeth and James, and a playmate, Warren Reinbold, went to Seattle Saturday for a week's visit, and where the former will look after property interests.

Mr. and Mrs. Rossel Carter, Mrs. Goldie Robertson, children, Mr. and Mrs. Ivan Calligan, Mrs. Vesta Glass, Myrtle Glass, Delbert Glass, Mr. and Mrs. Levi Nelson, went to Monroe Saturday for a visit with their sister, Mrs. Reedy Phillips. They took in the dance at that place Saturday, music being furnished by the Oregon Loggers orchestra.

Miss Anna Paul and Miss Ceceil, of Klamath Falls, were week-end visitors at the home of Mrs. G. R. Palmer, on Coast Creek.

Mr. and Mrs. C. A. Plummer, Mr. and Mrs. H. C. Bundy and Mrs. Mary L. Short, all of Portland, visited in the home of Mr. and Mrs. J. H. Smith here Sunday afternoon. All returned home that day except Mrs. Short, who remained for a longer visit. She left Monday for Sheridan to visit with her sisters, Mrs. H. E. Allen and Mrs. G. W. Aaron.

Lincoln Matocha, brother of Mrs. J. C. Matocha, visited at the Matocha farm home over the week-end. He is studying in the navy at present, and only had a few days off in which to visit his sister.

We wish to express our thanks for the sympathy extended us during our recent bereavement.

For Children

—and the whole family!

The Doctor Says: "Let the children eat plenty of pure ice cream. It's one of the very best foods for growing bodies."

Sheridan Ice Cream

Delights children and grown-ups alike. It's the best money can buy. Contains everything that is healthful—pure sweet cream, pure gelatin, rich, ripe fruits and flavors. Words can't describe its goodness. And it sells for much less than other brands, too.

Ask for Sheridan ice cream by name at your local dealer's.

All regular and special flavors. Sold in bulk, pint and quart bricks, and foil-wrapped slices.

HELL'S
ANGELS

A gigantic four million dollar spectacle, with a marvelous cast. The greatest air drama ever produced—notable for its immensity and daring in its flying scenes. Dramatic in its love story of two brother aces, and one vicious vampire behind the lines. Scenes that never will be equalled on any screen—climaxed by a giant Zeppelin crashing to earth in flames—a spectacle to hold you spellbound.

Owing to the length of the picture, show will start promptly at 7:00 p. m., with second show at 9:15. Saturday continuous from 1:30 to 11:30 p. m.
