SCHOOL NEWS

On Thursday and Friday of this week the students of W. H. S. will be (or rather are supposed to be) busy with semester exams. As is usually the case the teachers will, undoubtedly, be busier and more concerned than the students. Exemptions will be granted to all who have a high enough average and the lucky few will not have to come to, if exempt in everything (on those two fatal days). It is one of the times of the year that all students look forward to with a shudder and a doubt.

Saturday evening, from eight till ten thirty o'clock, the girls of the Girls' League entertained their friends at a leap year party in the high school gymnasium. The teachers who chaperoned the affair were Mr. Beal and Miss Allen.

After a number of games were played, refreshments were served in the school house. Later a group of those who were at the party, including Miss Allen, went tobogganing on the hill behind the school house; a bonfire was kept for the comfort of the ones who were awaiting their turns to ride.

A business meeting of the Parent-Teachers' Association was held at the schoolhouse, Wednesday, January, 13.
