

GRAND RONDE

By M. PETERSEN

The Grand Ronde bank is undergoing much repairing. A new roof and inside repairing.

Willamina surely is full awake. They did not sleep much till they had the union high school secured. Willamina is centrally located. Be sure to put in your progressive vote for the bonds.

Burl Perrie was still in Canada last week; interest in his farm there.

The Wildwood church of Mountain Home wishes to hold service at Old Grande Ronde.

Mrs. Norma Green and Wm. Dorcens from Portland visited with the Greens over Labor Day.

David Lachance of McMinnville wrote Petersen a nice letter.

Many tons of evergreen blackberries going to waste. No worked for them on account of a fly infecting them keeping the berry from ripening.

M. Petersen has farms, timber, 10 dollars per acre and up.

People suffering with asthma use the following: Gather one half bushel Mullen leaves, 3 pounds of Oregon grape roots, 1 pound cascara bark, 5 pounds wild cherry bark and boil it all together for 2 hours, strain through 3 gallons of water, add 2 pounds of granulated sugar and boil down till you have about 1 quart, one teaspoon full is a dose taking it internally.

Ernie Petite has bought a nice car; he is selling slab wood.

Henry Wesolowski and son of Salem wants to trade town property for farm. He has 5 sons and 2 daughters. Dairy farming he wants.

Our community hall is doomed for destruction. A 50,000 dollar structure will be built on the site as a recreation for the community sports, drama. W. P. A. money will build it.

When the Indian school land at Grand Ronde was sold by the Indian bums at Washington! Where the blockhouse and blacksmith shop was standing. There was about one half acre playground facing the blockhouse where the soldiers and children played games. I remonstrated when the party who bought this tract of land fenced the playground off, leaving only 30 feet of road in front of the blockhouse. I hope some day this playground will be restored to the public. The little road is a marker which is part of the road that went northeast up the Agency creek is a territorial road and county road.

Our son and family of Lawndale sends greetings to our 59 anniversary of our wedding and birthday. May cheer and happiness guide your way as they've guided it up to this glorious day. May you ever find all of your memories sweet and have joy and contentment your lives to complete. And may the love that you've cherished so well remain in your hearts, its glad story to tell.

Fred Petersen and family
This greeting came from our son. Also from Joe Dolp family, A. E. Beecher of Seattle and George Petersen and family.

Mrs. Olga Patrick and Lieut. Howard McCurdy and Mrs. Helen Green from Portland spent Sunday with Mr. and Mrs. Green at their store at Grand Ronde.

Julius Pearson and wife called Sunday but could not partake on account Mr. Pearson is suffering with stomach trouble.

P. T. Lachance, Thelma Leno and Clementine Jeffries, all sisters and brother, are on the sick list and could not come.

Mrs. Boches and her daughter-in-law with two children called on the Petersens Sunday morning on their way to the coast to meet Mr. Boches, our county commissioner. She presented the Petersen family with a

gorgeous bouquet of flowers for Mr. and Mrs. M. Petersen on their 59th wedding anniversary.

Otto Heider wrote he felt sorry he could not attend our 59th wedding anniversary that day as he would be

3000 miles away attending American Legion convention. He congratulated us and wished us many more happy days.

Mrs. George Dillmer and Mrs. Will Roetter of Milwaukee, Ore., friends of Mrs. Perrie, were Sunday visitors at Grand Ronde.
