

The World In Pictures

Watchful Waiting Off Dutch East Indies

The Dutch East Indies, eyed greedily by Japan, is the new danger-spot in the Far East. When Holland fell, Dutch warships went to protect these colonies. Upper picture shows the fleet and air fleet at Sourabaya, naval base in Java. Below, (left) two subs of the Netherlands navy on patrol, and, (right) the first group of American-built planes of the East Indies air force on guard.

Goose-Steppers—Over There—And Here!

Left: Citizens of Padova, Italy, welcome arrival of German troops. Right: Members of the school band of Sag Harbor, L. I., goose-step by a "dictator" on "dictatorship day," when totalitarian rule was established to illustrate the advantages of living in our free democracy instead of under the rule of a dictator.

Hunting the Giant Hares of Ontario

With big drives by a hundred hunters or more on Ontario's giant hares, which weigh up to 18 pounds, legislation is sought to limit driving parties to 15 persons. In top picture a hunter aims at an unfortunate rodent, while below a couple of hunters seek the elusive hare whose speed matches the best of man and dog.

Too Big for Army

George Fischer, of New Paltz, N. Y., who was rejected by the army because there was too much of him! George weighs 470 pounds and is 6 feet 4 inches tall!

AROUND the HOUSE

Items of Interest to the Housewife

If dirt becomes ground into waxed floors moisten a cloth with turpentine and rub well into floor until wax is removed, then wax and polish.

Baking soda will keep the baby's bottles sweet. After sterilizing bottles, shake in a little soda, fill with cold water and let stand until bottles are used.

Smoky Rooms—You can quickly clear the air in the living room by leaving overnight a tablespoonful of ammonia in a bowl of water.

Soup is usually better if allowed to stand overnight, giving the flavorings a chance to blend.

A dry cloth is better for removing a pan or dish from the stove than a damp or wet one.

Kerosene will soften boots and shoes that have been hardened by water.

Potatoes to be french fried will be more crisp if allowed to stand in cold water for half an hour before frying.
