GRAND RONDE NEWS
by M. Petersen

We have a new maintenance superintendent for this highway district. His name is F. W. Farrar of Salem. To some extent, he takes care of the mail boxes. He gave M. Petersen a mail post on the right side of the Tillamook road going east to New Grand Ronde, he is also giving Petersen several loads of gravel for in front of his home. George Petersen has moved back to Seattle, working nights.

The men of the New Grand Ronde Lumber Company contributed 10% of their wages for war bonds. A pennant was added to "Old Glory" at the mill.

Benton Madison and Martin Rudy, Jr. are in Portland building ocean going freighters. Our government is hiring men to work at Tillamook air plane field. Mr. Wake of Whiteson called on M. Petersen for advise in getting a home nearer to Tillamook. W. M. Curl of Prairie Oil Station, with his brother Henry, also called Mr. Curl does relining rubber tires.

Mrs. Thos. Petersen of Portland is still suffering from a broken arm, 6 months ago. Mrs. Louis Louthers reports Mrs. Zielke of Salem sent advise to Mrs. Petersen for stomach gas. C. C. Petersen of Baker, Oregon is on the sick list at the Veteran hospital on Marquam Hill in Portland. reports not very serious.

McMinnville - Tillamook highway shows an increase in travel since the U. S. is hiring 2000 men for the work

at Tillamook air field. The western part of Yamhill County will increase in population by home seekers closer to their work. Wm. Petersen at Valejo is doing fine at work on ships at Mare Island. Marcus Petersen is now serving company 2 at Mountain Home, Tenn. Anna Petersen of Elizabeth, N. J. is taking her vacation on a farm. Mr. and Mrs. C. Amacher called on Petersen.

Carl August Frank has sold his 160 acres of timber and land to Lee Ray in interest of Polk operating company. Amacher is lucky, just now haying. Two sisters from Mt. Angel, Miss Marguarite and Miss Patricia are teaching our youngsters the catechism at the St. Michaels Mission Catholic Church.

Mr. and Mrs. John Petite called on M. Petersen. They have acquired a new residence at Valley Junction. They want L. Petersen to paper their new house.

The state highway have given me a mail post, they also have sent me a photostatic copy of a portion of the Boyer - Dolph preliminary survey map of Little Nestucca over W1/2 of W1/2 of Section 10 T 6 S R 9 W in Tillamook County.
