Folks keep asking about those new Chevron signs

And those questions are music to our ears—because we want you to know all about 'em. You see, lots of people appreciate the careful, friendly service they get at independent stations but they don't always know they are "home-owned." So those new Chevron Signs and the distinctive burgundy, cream and green paint jobs on our stations mean that we're independent business-men in the community.

It's mighty important to us that our customers get the finest—so you can be sure we'll continue to handle products like Chevron Supreme Gasoline and RPM Motor Oil. Our services and accessories will be the same high quality, too.

Chevron Gas Stations will always honor Standard of California's Chevron National Credit Cards, too. If you haven't applied for one yet, we'll be glad to take your application.

REMEMBER... the same products, the same service, the same folks to serve you
