Elk Creek Glass

You can Make It!

Elk Creek Glass is a glass blowing and fusing school, studio and community. In small classes, we demonstrate the tools and techniques of glass art. Then we Guide you in the hands-on magic of making glass art.

INTRO TO FUSED GLASS
 Cutting glass is easier than you think. Learn to cut glass and use mosaic techniques to make gorgeous small plates or bowls.

INTRO TO BLOWN GLASS
 Making paperweights is the perfect introduction to working with hot glass. You'll learn to dip hot glass, add colors, and shape your magnificent wonderland.

GUIDED-RENTAL HOT SHOP
 Advanced students can rent shop time with an instructor on hand to assist with questions, and assist with your project.

Always schedule your visit,
 We can't stop a class for visitors, and We would really like to meet you.
