Glass season is upon us and we are back up and running and ready to make glass art.

**Open Shop Tours during
The 15th Annual Elkton
Art & Wine Weekend
November 28-30, 2025**

You can Make It!

Elk Creek Glass is a glass blowing and fusing school, studio and community. In small classes, we demonstrate the tools and techniques of glass art. Then we Guide you in the hands-on magic of making glass art.

INTRO TO BLOWN GLASS

Making paperweights is the perfect introduction to working with hot glass. You'll learn to dip hot glass, add colors, and shape your magnificent wonderland.

Always schedule your visit,

We can't stop a class for visitors, and We would really like to meet you.
