JEWELL NEWS

Senior Citizen pot-luck luncheon scheduled for Jan. 23

by Ruth Nogle

Senior citizens, come on out Friday, January 23 at 12 noon for the bi-monthly pot-luck luncheon. The place to come is the Jewell Grange Hall. Then, after the luncheon, you can spend the afternoon visiting with your neighbors or maybe get up a game of Pinochle or Bingo. Do you know of any friends who haven't been out to these meetings? Invite them to come join the group.

The Jewell Valley is fortunate in

having a community school. The school is a non-profit organization which brings classes and the facilities of the public school to all interested members of the Jewell-Mist-Birkenfeld and Elsie areas. The advisory council meets at 3:30 pm on the second Wednesday of each month and is open to the public.

Have any ugly pounds you would like to get rid of? A TOPS group meets weekly at 7 pm on Tuesdays at

the Jewell School. They will help you to Take Off Pounds Sensibly.

Two public services offered valley residents, are the open shop from 6-9 pm. This is open to adults down through the junior high school class. Younger students are allowed if accompanied by their parents. The library is also open to the public from 7 to 9 pm. You can either use the school library books, or order books

from the state library. The school librarian will help with your choice. Both of the above services are held on Wednesday evenings.

Several people in the Jewell district are members of the Vernonia Golf and Country Club. With January's beautiful weather, they have been taking advantage of every day possible out on the links trying to hit that little round ball into that little round hole.

"Focus on the Family" series begins this week

You are invited to see and hear America's leading Christian authority on the family, James C. Dobson, PhD in the challenging new film series "Focus on the Family".

Dr. Dobson will be speaking to parents on subjects such as; The

Strong-Willed Child, Shaping the Will Without Breaking the Spirit, Preparing for Adolescence and Husband/Wife Relations.

Dr. Dobson is Associate Clinical Professor of pediatrics, University of Southern California School of

Medicine. He has also authored books such as; Dare to Discipline, Hide or Seek, and What Wives Wish Their Husbands Knew About Women.

There are a total of seven films. The first will be shown on Sunday, February first at 6 pm in the grade school auditorium. The remainder of six films will be shown on each of the next six consecutive Sundays; again at 6 pm in the grade school auditorium.

"Focus on the Family" is sponsored by the Vernonia Ministerial Association. Admission is free and child care will be provided. Infants through four years old should be taken to the Vernonia Bible Church. Children five to eight years old will be cared for at the grade school.

For further information watch for posters around town or contact one of the following pastors; Terry Latrell, John Cahill, Steven Hopper, Jack Lindsley, Russell Vinyard or D.J. Dickey.

Holding on to dollars benefits all

Learn more of the psychology behind spending and saving money to become a better money manager. The public is welcome at an Extension Service Seminar, "Holding Onto Your Dollar", Friday, January 30, 10 am to 12 noon, at the Extension Service Conference room, Courthouse, St. Helens.

The seminar will help you understand the combination of values, attitudes, experiences, and beliefs that affect your decisions and actions in the uses of your money. It

will not help you make a spending plan for your family, but will sharpen your awareness of why and how individuals use money for reasons other than for survival needs.

"Holding Onto Your Dollar" is especially geared for teaching people how to share the information with others. Clubs, Churches, and Organizations are welcome to send a representative who will also receive a written guide on teaching the lesson to others. Questions? Call 397-3462.
