

Girl Scouts now taking advance cookie orders—get yours now

Girl Scouts and Brownies started taking pre-orders for cookies on Thursday, February 26 and will

continue taking them until Monday, March 9.

Most of you have already been approached by one of these girls but if you haven't they are taking orders for seven different varieties at \$2 per box.

This cookie sale is an effort to be self-reliant—to earn money for troop activities (25¢/box) which the girls plan; to help provide Girl Scouting services throughout the Council's 13 counties; to supplement funds from United Way and individual contributions. Columbia River Girl Scout Council realizes about 47 percent of its operating budget through cookie sales.

Girls learn to make change, work as team members, develop plans based on earning money to pay for their plans, to meet the public and to put the Girl Scout Law into practice.

too pitted and broken from the road surface to be sold.

The Vernonia Police Department responded when Chris Smith, returning from Forest Grove, saw the accident and reported it when she reached Vernonia. An Oregon State Police officer arrived on the scene at 2:15 am to take over traffic control and await clean up crews. The VPD officer left the scene at 2:45 am after removing the debris from one land of traffic and securing the area.

No complaints have been filed on the incident and it is considered non-attributable in nature.

PUBLIC ANNOUNCEMENT

To: All board members of service districts to Vernonia, Clatskanie and Mist. Including fire chiefs, mayors, city police and school board members.

There will be a meeting at the Mist gym on Friday, March 6 at 7:30 pm to discuss bill no. 2620 regarding the distribution of gas leases and royalty monies from the Mist gas fields.

The purpose of the meeting is citizen input on the bill proposed by Carolyn Magruder and associates.

County Commissioners Sahagian, Ahlborn and Hunt will be present. Representative Bugas and Senator Hanton and State Representative Carolyn Magruder will also be present.

It is most imperative that all those serving in this Tri-area be at this meeting to help work out a bill that will help us solve the unique problems that now confront us since the discovery of natural gas in Columbia County.
