FRINGING AND BINDING OUR SPECIALTIES

Al-Anon available in Vernonia

Does someone in your family have trouble with drinking? There are over 12 million problem drinkers in the United States. Every alcoholic affects the family members around him and often creates a need for help from clergymen, physicians, psychiatrists, social workers and the law. More and more family members and friends of the alcoholic are turning to Al-Anon Family Groups. Al-Anon provides a fellowship with a constructive approach to problem drinking.

Al-Anon fellowship is made up of the wives, husbands, relatives, children and friends of the problem

drinker. The problem drinker may or may not be a member of Alcoholics Anonymous. Members of Al-Anon share their experience, strength and help with each other in order to solve their common problems of fear, insecurity, lack of understanding of the alcoholic and damaged personal lives resulting from alcoholism, the family disease.

Anyone interested in attending Al-Anon, a non-affiliated organization, or learning more about the Al-Anon program, may attend an Al-Anon Family Group meeting each Thursday at 10 am, at the First Christian Church.

Job offers flood Youth Program

Job offers for summer (CETA) youth are pouring in to the employment office as area non-profit agencies are recognizing the potential work force available to them, Lucey, Employment Specialist reports. At present it appears there will be more job offers than can be funded this year, due to government cut in funds. Those positions funded (youth will be paid \$3.35 per hour for 32 hours a week up to 12 weeks) will be determined on the basis of: variety of skills offered, quality of training and supervisory help, plus a match to youth's own career interests.

Beginning May eligible youth, ages 14 to 21, may pick up their applications for work permits at school or at the local employment office. Jane Martinez states, "no youth will be hired without a work permit." From May 1 to June 1 all applicants will be interviewed with regard to CETA eligibility as well as job interests. Vernonia, Clatskanie and Rainier youth will be interviewed in their area. Scappoose and St. Helens youth will be interviewed at the employment office in St. Helens by appointment. All youth

anticipating hire are advised to keep in touch with school counselors for information and necessary forms.

Lucey reports a variety of full and half time jobs available. She anticipates all hiring will be completed by June 15. In September,

after the program is ended, an evaluation will be completed to assess the success of SYEP.
