LINCOLN'S INCOME ACCOUNT PAYS YOU OVER 270% MORE INTEREST!

And just \$1000 will get you started.

THE INCOME ACCOUNT BEATS ALL PASSBOOK SAVINGS ACCOUNTS.

Yes, \$1000 in the highest paying passbook account at any bank or savings and loan earns about \$13.20 in 89 days. But 'Lincoln Savings' Income Account, at the current rate of 15.50%*, will pay you \$37.31 in 89 days. And that's 282% more interest than you can earn with a passbook account.

YOU DON'T HAVE TO BE RICH TO EARN HIGH INTEREST.

Now you don't need the \$10,000 required by many "market funds". You can earn those high interest rates you couldn't get before with just \$1000 or more. That's all you need to get your Income Account started at Lincoln Savings.

START YOUR OWN SHORT TERM, HIGH INTEREST INVESTMENT.

Lincoln's Income Account is a special investment opportunity for individuals, corporations, partnerships, trusts and non-profit organizations. Lincoln agrees to pay you your original investment plus total interest earned at the end of 89 days. Repayment is backed by U.S. Government Securities or U.S. Government Agency Securities. (Because this investment is not a savings account, it is not insured by the Federal Savings and Loan Insurance Corporation).

THERE IS NO INTEREST PENALTY FOR EARLY WITHDRAWAL.

Funds withdrawn prior to maturity are available without loss of interest. An administrative fee of \$25 will be charged for such withdrawal.

On maturity, funds will be transferred to a Lincoln Savings Account or a Lincoln CheckKing Account. There is no monthly service charge on the CheckKing Account when a \$100 minimum balance is retained.

CONSIDER THESE ADVANTAGES:

- Guaranteed interest rates locked in for 89 days
- No interest penalty for early withdrawal. An administrative fee of \$25 will be charged for such withdrawal
- Backed by US Government Securities or US Government Agency Securities
- No brokerage fee or service charge

*Rates are simple annual interest. Lincoln reserves the right to raise or lower the rates daily without notice. This will not effect existing accounts.

(Ownership of Lincoln Income Account is non-negotiable and not automatically renewable).
