

More Jamboree Photos Next Week

LEFT— M.C. Brewer tries his hand at Unlimited Bucking as son Greg (right foreground) and Scott Sword, (center background) watch. Unfortunately Brewer's saw quit on him part way through the log.

LEFT BELOW— Rod McLean offers advice to daughter Lynn during Ladie's Limited Bucking contest. Although Rod took a First and Third Place in men's bucking contests even his help couldn't save the day for Lynn. Rita Schultz of Clatskanie took First Place in this event.

BELOW— Pole Walk and Snip contestants often spent more time falling off the poles than they did on them. Logger on right pole is just seconds from toppling off.
