Everyone involved in this year's parade, as contestants and as organizers, would like to thank the parade judges; Genny Olmstead, Carl Poole and Janet Beattie for their excellent job. A special thanks also to those unsung heroes, the 'Pooper-Scoopers', Robert Shafer, Jr. and Michael Shafer, Jr., who followed along behind the horses keeping the way clear for innocent by-standers.

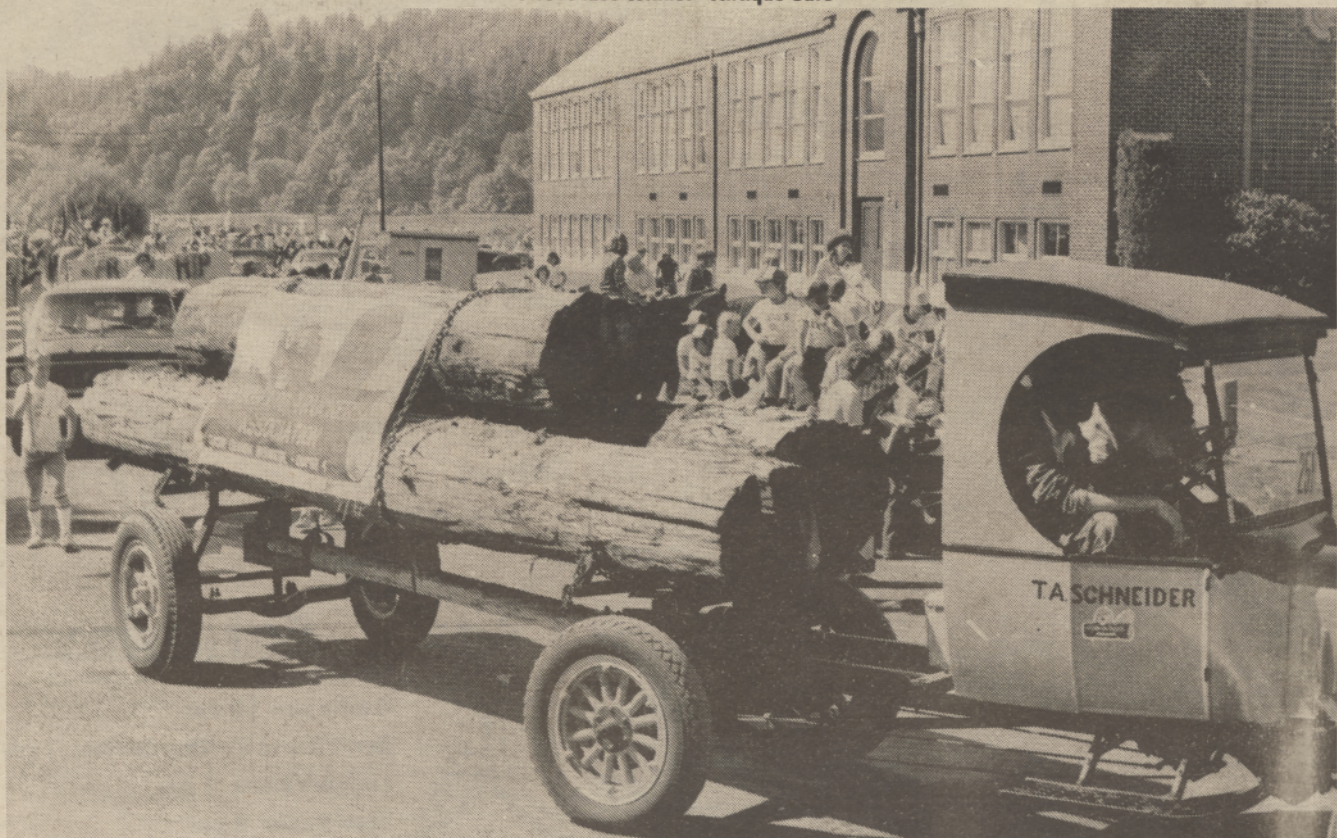

ABOVE— This young lady is putting the finishing touches on her horse in preparation for Saturday's Horse Games at Anderson Park. Dozens of riders and their mounts showed up for this favorite event.

BELOW— Scott Sword makes the chips fly during his winning go at the Unlimited Bucking contest. Professional clown Paul Mackenzie, of Vancouver, B.C., looks on, no doubt glad it's Scott and not himself on the throttle of that saw.

STILL GOING STRONG— T.A. Schneider's classic log truck stole the show in the Antique Cars class although it needed a bit of help to get going. Jerry Sanders of Vernonia Control joined Schneider in the cab.
