

**LEFT—**  
These three young Huck Finn's are enjoying their summer, even as hot as it has been lately. From left to right these mariners are: Greg Terry, 9; Jeremy Wilkins, 10; Jason Shaw, 8. All three are Vernonians.

**BELOW—**  
In spite of extremely high temperatures, or because of them, the natural pools in Rock Creek are unseasonably empty. If the mercury keeps rising as predicted you can rest assured that more and more people will be found basking in the cool comfort of moving water.
