VHS runners capure Fifth Place

By Larry Riker
VHS Correspondent

As the rain and wind whipped the field at Lane Community College Ron Remsen and his cross country team arrived in Eugene to compete in last Saturday's state championships.

Before the meet was over Coach

EDITOR'S NOTE—Beginning this week we are pleased to bring you a new feature. Each week Larry Riker, a student at Vernonia High School, will be contributing an article or two about events at VHS. Although his primary beat will be sports reporting, Larry also expects to keep us informed about school events in general.

Remsen and his team had walked, or rather run away with Fifth Place.

Top finisher for the Loggers was Sophomore Janet Lubbes with a time of 13:27.5, earning Lubbes 31st place overall. Running a close second to Lubbes was Michelle Mathews, in 32nd place, followed by: Kathy McDonald (36), Christy Skinner (40), Samantha Durst (46), Corrie Hall (59) and April Durst (60).

Highlighting his team's effort, Remsen said, "Competition was much stronger this year than last."

Various team members commented that the weather was a big factor. "The mud slowed everyone down," said one Vernonia runner.

TERRY P. TOBIN, O.D.
DOCTOR OF OPTOMETRY

Dr. Tobin has recently joined the Vernonia Clinic replacing Dr. Buchanan. Dr. Tobin is a recent graduate of Pacific University College of Optometry and is also presently practicing in the Cedar Mill area of Portland.

All services will continue as before with contact lenses being made available after the first of the year. Everyone is cordially invited to drop in for a get acquainted visit.
