This vibrant woman owes her life to her promptness in seeing her doctor when she felt a lump in her breast. Now cured of cancer, she is an active volunteer in the American Cancer Society's Reach to Recovery program.

Kitchen Korner

1 elephant (medium size)

2 rabbits (optional)

Cut the elephant into bite-size pieces. This should take about two months. Add enough brown gravy to cover. Cook over kerosene fire for about four weeks at 465 degrees.

This will serve 38 people. If more are expected, two rabbits may be added but do this only if necessary as most people do not like to find hare in their stew.
