PERSONALS

To the Vernonia Police
Well, it appears to me that once again my family is being harassed—either through instructions from others or from personal inclination. This is apparently because of my printing the truth as well as I am able about what goes on in Vernonia. If any of you feel you have a complaint why don't you come after the one who is responsible for what is printed in this paper. I, William G. Rhoades, publisher of the Vernonia News Weekly, am the one you should be after if you don't like the way things are printed.
