

## Employees New Employment Program

This year, the Confederated Tribes of Siletz will run their own Employment Program. Staff will serve eligible Native Americans from three locations; in Siletz, Salem, and a new location in Eugene. Please see the article in this paper for other details. Because our Program has grown in size, and added a new location to serve Native Americans, new employees have been added to the staff.

### TAMMY BROWN

Tammy Brown, a Choctah Tribal Member, is our new Employment Counselor stationed in Eugene. Tammy previously worked in the CETA Program for three years for the Confederated Tribes of Warm Springs. During her last assignment for Warm Springs, she was out-stationed in Eugene and served Lane, Jackson, Josephine and Douglas counties. She laughs about being "on the road" almost constantly.

Tammy is looking forward to working for the Confederated Tribes of Siletz. Her goal is to give necessary services to Tribal Members, and other Native Americans in Linn and Lane counties who need employment assistance. Residents of those counties are encouraged to contract Tammy if they need employment assistance.

SHANNON

CASE

WELCH

Shannon Case Welch was hired on April 7, 1983 as the Siletz EMPLOYMENT Program Secretary. Shannon is a Siletz Tribal Member, born and raised in Lincoln County. She has a background of clerical work with the Employment Service Office in Newport, and she has also worked in the Employment component of the Urban Indian Council in Portland.

Shannon will be stationed in the Siletz Area Office, but will provide assistance to Program Administration and the three Employment Counselors stationed in Siletz, Salem and Eugene. Shannon's goal is to keep communications open between the three areas providing services to clients, and to assist our Employment Program in maintaining Department of Labor standards.

## ELECTED OUTSTANDING MEMBER OF NPAIH

Mary Alice Muncey was elected outstanding member of the Northwest Portland Area Indian Health Board at the Quarterly meeting held at the Doric Motel in Tacoma, Washington in January, 1983. The Northwest Portland Area Indian Health Board is a non-profit recognized body of twenty-four Tribal representatives representing thirty-four Tribes in the states of Washington, Idaho and Oregon, which is dedicated to assist and promote the health need, concerns and service of Indian people.

Mary Alice has been a Board member since 1978. She has represented the Western Oregon Service Unit for five years as a delegate for the Siletz Tribe. She has been Sergeant of Arms for three years and a member of the Executive Committee for three years.

## FOSTER HOME FOR TEEN NEEDED

The Family Advocate is looking for a tribal family who would be willing to be a foster family for a seventeen year old female tribal member. The foster placement should start around the end of July and does not need to be in any particular geographical area. If you would be interested in providing a home for this very personable young person, please contact Doni White, 444-2514, for further information.

## IDENTIFICATION OF INDIAN ADOPTIVE HOMES IMPORTANT

Child Welfare Act sets placement preferences for Indian children who are released for adoption as follows:

- 1) a member of the child's extended family;
- 2) other members of the child's tribe;
- 3) other Indian families.

In a small tribe such as Siletz, the frequency of tribal children being released for adoption will be low. However, if and when such a case should occur, it is important for the Tribe to have identified beforehand those tribal families who would like to adopt a child.

Tribal families who would like to provide an adoptive home for Indian children should contact Doni White, Tribal Family Advocate, 444-2514, for further information.
