HUNTING AND FISHING INFORMATION

The hunting season ended on November 8th this year. The salmon season ends on November 29th. One of the requirements that we all need to remember is that these tags must be reported on.

If you killed a deer the sex of the deer must be reported as soon as possible. If you catch a salmon that also must be reported.

The receipt that each Tribal member signed gives the date for the return of the tags if not filled this season. If you fail to report or return your tags by the date stated on the receipt you will be in violation of the Hunting and Fishing Ordinance and will forfeit next season's hunting privilege.

If you have any questions concerning the tags please contact Kristi Martin, at the Siletz Area Office, P.O. Box 670, Siletz, OR 97380.
