

TO TRIBAL VETERANS.....

At the time the Veterans Memorial was placed at the entrance of Paul Washington Cemetery, Tribal Veterans were asked to send in their names and branch of the military in which they served to be included on the Memorial.

To date this Memorial is incomplete and we are again asking Tribal members to send in the pertinent information so we can continue to add the names of those who should be recognized for their military service.

This Memorial is in honor of all Tribal Veterans, living or dead, who have served their country through military service both in war and peace time.

Please send your name and branch of military to Robby Robertson, Confederated Tribes of Siletz, P.O. Box 549, Siletz, Oregon 97380.
