

Alcohol & Drug Free Campaign

Submitted by Tina Retasket

The Siletz Prevention Team has been active in promoting Drug Free Pregnancies amongst Indian People.

Beginning with a New Years Eve Sober Pow-wow on Dec. 31st, through signing of a proclamation encouraging tribal members to participate in alcohol and drug awareness activities, the Prevention Team has been active in promoting alcohol & drug free pregnancies.

T-shirts were purchased to present to pregnant women receiving pre-natal care at the Siletz Clinic along with information about fetal alcohol syndrome and drug addicted children.

In addition, community members were asked to list their alternatives to drinking & using drugs. A list of the responses is included. There are some really good suggestions for alternatives to using and drinking. Please pass these on to your friends and families.

The Siletz Tribal Council, Siletz Prevention Team, Social Services Staff, Drug & Alcohol Staff, Head Start Staff would like you to join us in encouraging tribal members to participate in alcohol and other drug awareness activities, making a visible statement that we are strongly committed to healthy lives--for our future and our children's future.

PROCLAMATION

WHEREAS, the Alcohol & Drug Free Pregnancies campaign will be celebrated in January & February, 1992, and the Siletz Tribal Council are Honorary Chairs of this community focus;

WHEREAS, the Siletz Tribal Prevention Team is coordinating the community in a united effort to prevent alcohol and other drug use during pregnancy;

WHEREAS, health care providers, religious organizations, law enforcement, government agencies, schools and individuals will demonstrate their commitment to healthy, drug free babies by encouraging and supporting abstinence from alcohol and other drugs among pregnant women;

WHEREAS, the Siletz Tribal Council and Prevention Team does hereby support and encourage tribal members to participate in alcohol and other drug awareness activities, making a visible statement that we are strongly committed to healthy lives;

NOW THEREFORE BE IT RESOLVED that the following signees encourage alcohol and drug free pregnancies:
